Manager Says He Will Turn  
in Resort's Lease

"The Colony club is closed and will remain closed, as far as we are concerned, and we are turning in our lease!"

This was the joint statement made today by S. S. Stickney, secretary-manager of the Colony club, and David Clark, his attorney, at a hearing before Deputy City Attorney Margaret Gardner.

The hearing had been called as the result of a complaint by the building and safety department, that the establishment had failed to obtain a permit for certain alterations in the structure.
