Bernardi Committee
Preparing Ordinance
Slowness in improving
homes moved from freeway
routes to other residential areas has drawn sharp criticism from City Coun
areas has drawn sharp
criticism from City Coun-
cil's building and safety
committee. The committee,
headed by Valley Council- man Ernani Bernardi, is
working on a proposed city
ordinance which would great-
ly tighten regulations now in
effect.
Bernardi said yesterday at a committee meeting that a
number of complaints have been received from neighbors
been received from neighbors
about "eyesores" being moved into their area and months
passing without something be-
ing done about them.
Expresses Concern
A Building and Safety Dept.
spokesman told the commit- tee that more than 60 such
Istructures are on the depart-
ment list, dating back to 1956. The spokesman said the ma- jority of the partially im-
jority of the partially im-
proved structures are in the
Valley.
Councilman Bernardi also expressed great concern over
reports that some houses are
being moved out of the path
being moved out of the path of one freeway and relocated
in an area tentatively desig- nated as a future freeway
route.
He explained this probably
will force the State Division
of Highways to pay twice for the same structure.
But the primary concern of .
